PRIMARY SCRIPTURE:

Mark 11

DISCUSSION QUESTIONS:

1. What do you have that the Lord might have need of? Is it 'stuff' or time or something else? Are you called to give it away or share it?
2. Who do you know of that might need it?
3. What do you think of when you see military parades, such as North Korea's?
4. Read Mark 11:1-12. What contrasts do you see between Jesus' parade and a modern military parade?
5. When you engage people who disagree with you, what is most challenging about it?
6. How can you show Jesus-centered behavior this political season?
7. Who might your enemies be, and who might God be calling you to sacrifice for?
