

November 29

Steve Cuss

PRIMARY SCRIPTURE:

Judges 2:10-19, 17:6, 18:1, 19:1, 21:25, and Hebrews 4:12

DISCUSSION QUESTIONS:

1. How was your week, where did you see God at work?
2. Name a fact that you thought was vitally important as a kid that has little to no use in adult life. For example, as a kid, I thought quicksand was everywhere and always a mortal danger, based on TV shows I watched as a kid. I'm yet to encounter quicksand as an adult.
3. Do you know someone who believes something that you find utterly absurd?
4. How do you know when something is true?
5. What is something that Jesus teaches that you struggle to believe is true?
6. What about something that you disagree with?
7. "The truth will set you free." In what way have you experienced God setting you free by believing God's truth over your view?
