DISCUSSION QUESTIONS:

- 1) Today's theme is 'share the reason for your hope.'
Is there something wonderful that has happened ever in your life that you enjoy telling people about?

- 2) Are you a grandparent or do you know a grandparent? What is it like when you/they talk about their grandkids?

- 3) When we think about sharing our faith, we can sometimes move to 'obligation' but Steve challenged us to consider how it could be a natural outpouring of God's work in our lives. What is your reaction to that?

- 4) Who comes to mind when you think of someone in need of hope?
Don't share names, but share, within appropriate bounds, what their situation is.

- 5) Pause and pray for the people you just shared about.

- 6) Read 2 Kings passage. What strikes you?

- 7) What do you think about the fact that it was outsiders who carried the good news?
