PRIMARY SCRIPTURE:

1 John 4:19

1 John 3:19, 20

DISCUSSION QUESTIONS:

1. How was your week?
2. Where did you see God at work this week?
3. Where are you hoping to see God at work?
4. How is your effort to 'set apart' going? Are you noticing anything?
5. In the message, Steve mentioned 3 moves everyone must make. The first move was from loving God, to being loved by God. By which he means that the foundation of our love for God is resting in being loved by God. Is it easy or hard for you to encounter the unconditional love of God? What helps?
6. The second move was from 'trying to become like Christ' to 'following Christ and dying to self.' What do you think of this move?
7. What is hard for you to die to?
8. The third move was from being the center of your universe to God being the center. The challenge was to give something to God as sovereign that you are holding onto. Did you give anything?
9. We have a team in Albania right now serving with the Doci's and also with the Elbasan campus. Please pray for their work.
