**DISCUSSION QUESTIONS:**

- 1) Would you rather have all the time you need, or all the money you need? (it is cheating to say, 'all the money' because then I can hire people to free up my time.)
- 2) When in your life have you felt you had enough time or enough money? What was that like?
- 3) In the Set Apart series, we're looking at how we can posture ourselves to experience God's manifest presence, and create an expectancy. Have you had an encounter with God that you're willing to share?
- 4) We looked at 20-70-40-10.
  - a) 20 minutes a day. What daily practice helps you connect to God, and what are you going to try this week?
  - b) 70 - how do you prepare yourself before a worship gathering?
  - c) 40 days to a new habit. What habits have you forged in your life? When did you get over 'the hump' of crafting a new habit? What might you be willing to try for 40 days to connect to God?
  - d) 10 - financial generosity. What positive experiences have you had in the past with financial generosity?
